What to Bring!!

Suggestions:

- 1 – Bring clothing and camp supplies in TWO approx.. 22”L x 14”W x 13”H plastic containers with lids. 14” is the maximum height that will fit under their cot at camp. This will help keep items clean, dry, and organized.
- 2 – Put Scouts name on all items.
- 3 – Put small items in ziplock bags. This helps keep them from getting lost.
- 4 – Consider leaving cell phones at home. (they often get lost at camp).

Video games are not allowed at summer camp!
